M/Y Coral I

The restaurant

Junior Cabin Coral I

Pool

With a European design and modern shape offers more space, comfort safe security for and a naturalist cruise. It is an attractive and functional mid-size (Mega yacht), perfect for an intimate experience when cruising the islands. Some cabins are connecting, just for families and special groups. It has eighteen spacious cabins decorated with a marine taste. There is plenty of room for storage, and moreover, all beds in all cabins are lower and they can be arranged as matrimonial, as well as single and double beds. Each cabin has their own private facilities, hot and cold shower with a fresh and lasting supply of water. All the cabins are provided with smoke detectors and sprinkler system.

M/Y Coral II

Moon Suite Coral II

Lounge Coral II

It is an elegant, classic Mega Yacht for 20 passengers. It is perfect for explorers who want to feel the islands with privacy and supreme comfort; its cruising speed allows to have less time in traveling and more time on visiting the islands. The ample lounge with a classic marine decoration; large windows that allow our guests to have an amusing panoramic view of the islands and its wildlife; comfortable lounge couches to read, sleep or relax, give a different ambience and environment to live Charles Darwin's paradise.

M/Y Eric

GALAPAGOS ISLANDS CRUISES

M/Y Eric, Flamingo or Letty

The 3 sister yachts sail on full week comprehensive 8-day itineraries including the outer, most popular islands in the archipelago. Offering comfort, safety and value, refresh your spirit of exploration cruise to the Galapagos Islands with small guide-to-passenger ratio (one expert guide for every 10 passengers) ensure intimate visits on shore. The SmartVoyager the first voluntary environmental certification program in Galapagos in which ECOVENTURA was one of the first companies to receive the green seal of approval. The boats use only TBT- and lead-free paints and biodegradable soaps, recycle and treat their wastes, run on fuel-efficient engines, employ refueling safeguards, and manage supplies to guard against alien species.

11 DAY CRUISE TOUR

Weekly seven night departures offer comprehensive itineraries visiting the most spectacular sites in the archipelago on a year-round basis.

The M/V Galapagos Explorer II

Built in 1990, with an overall length of 293 ft. and reaching 17 knots, the M/V Galapagos Explorer II is the most elegant of the vessels cruising the Galapagos' waters. Designed to provide both comfort and scientific information to 100 passengers visiting the Galapagos National Park, this vessel travels up to the remotest islands of the Archipelago. All exterior suites, no cabins on board, and the most important all Suites have the same look, the difference in the rate is the deck where the Suite is located.
